He's still got the whole world in His sovereign hands

V.2

Why so downcast my friend? Is your rope frayed at the end?
Do you feel caught in a maze? Did you forget why He came?
The Great Shepherd of hearts is seeking after His own
To be your strength like a stone, to be your shelter in storm

(Repeat Chorus)

Bridge:

Gm **F** **Dm** **C**
Whoa, whoa, whoa, whoa
Gm **F** **Dm** **C**
Whoa, whoa, whoa, whoa
Gm **F** **Dm** **C**
Whoa, You have become my strength and my song, my light in the dark
Gm **F** **Dm** **C**
Whoa, now the best I know how, I give You my love, I give You my heart

CHORUS 2:

You offered Your legs when I could barely stand
You offered Your heart when I lost every friend
You offered a start when I had found the end

**You've still got the whole world in Your sovereign hands
You've still got the whole world in Your sovereign hands
You've still got the whole world in Your sovereign hands**
