V.2

Most people don't find out
'Till they're half dead
That they need another life
You say you've heard everything
That's ever been said
About the way, the truth, the life

You say you've heard lots of preaching
All before so many times
But did you ever open up your door
Give Him a chance
To prove Himself

CHORUS:

C Em
Are you washed in the blood?

Am B7
In the soul-cleansing blood of the Lamb?

Em **Am**
Are your garments spotless are they white as snow?

Em **B7**
Are you washed in the blood?

V.3

I hope you find out before it's too late
That there's really nobody else
You know its breaking his heart the longer you wait
Cause You've only been lying to yourself

Cause no one believes a thing you say, not even you
You know you're gonna find out
That He's the way, no matter which way you choose
But I pray you find out by His love for you

(Repeat Chorus)

(Repeat Intro)
