V. 1

D Bm A D
0 sacred head now wounded for mankind $\mathrm{Bm} \quad \mathrm{A}$
How pale, abused and scorned
D Bm A D
In anguish You were pierced unjustified
Bm A
In love our sin You bore

CHORUS:
G Bm A G
You chose a crown of thorns instead of gold
$\mathrm{Bm} \quad \mathrm{A} \quad \mathrm{Em}$
A hill of suffering in place of a throne
Bm A G
The Lamb of God on execution day
Bm A
D

Destroyed the power of sin and death was slain
(repeat intro)
Redemption from the curse that bound us slaves
Was purchased in your death march
Forward to the hill You spoke no word
Now captives sing with freed hearts
(Repeat chorus)
